

# Hat Creek Observatory – Facility & Storage Locations Map

# Map #1: LAB 1

Note: Map is not to scale

## Map Symbol Key:

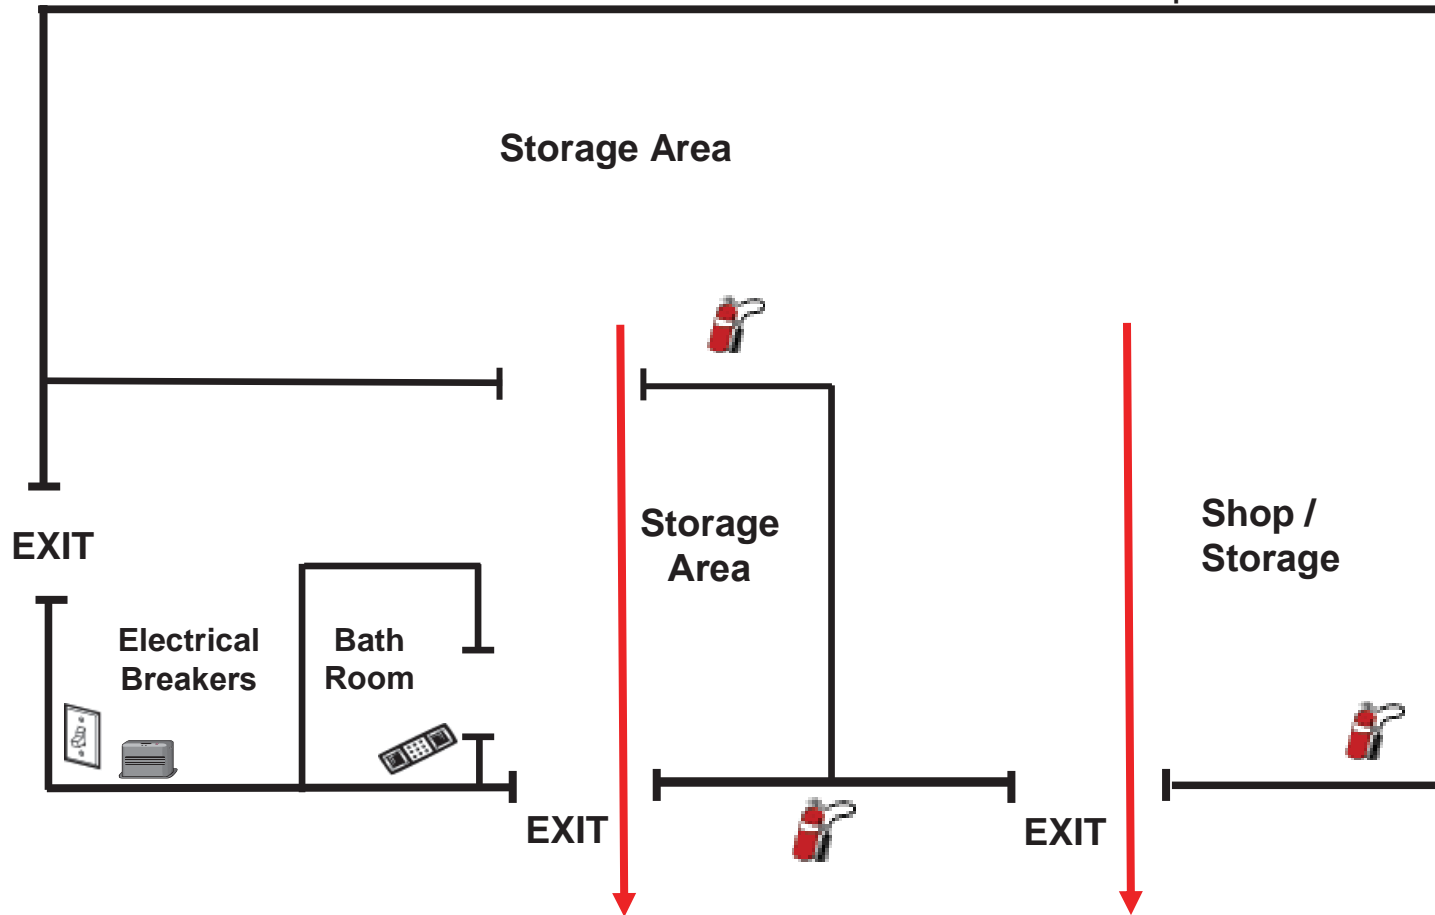

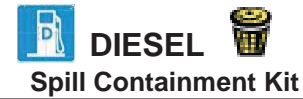

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

No hazardous materials at this location

## Map #2: LAB 2

Note: Map is not to scale

### Map Symbol Key:

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

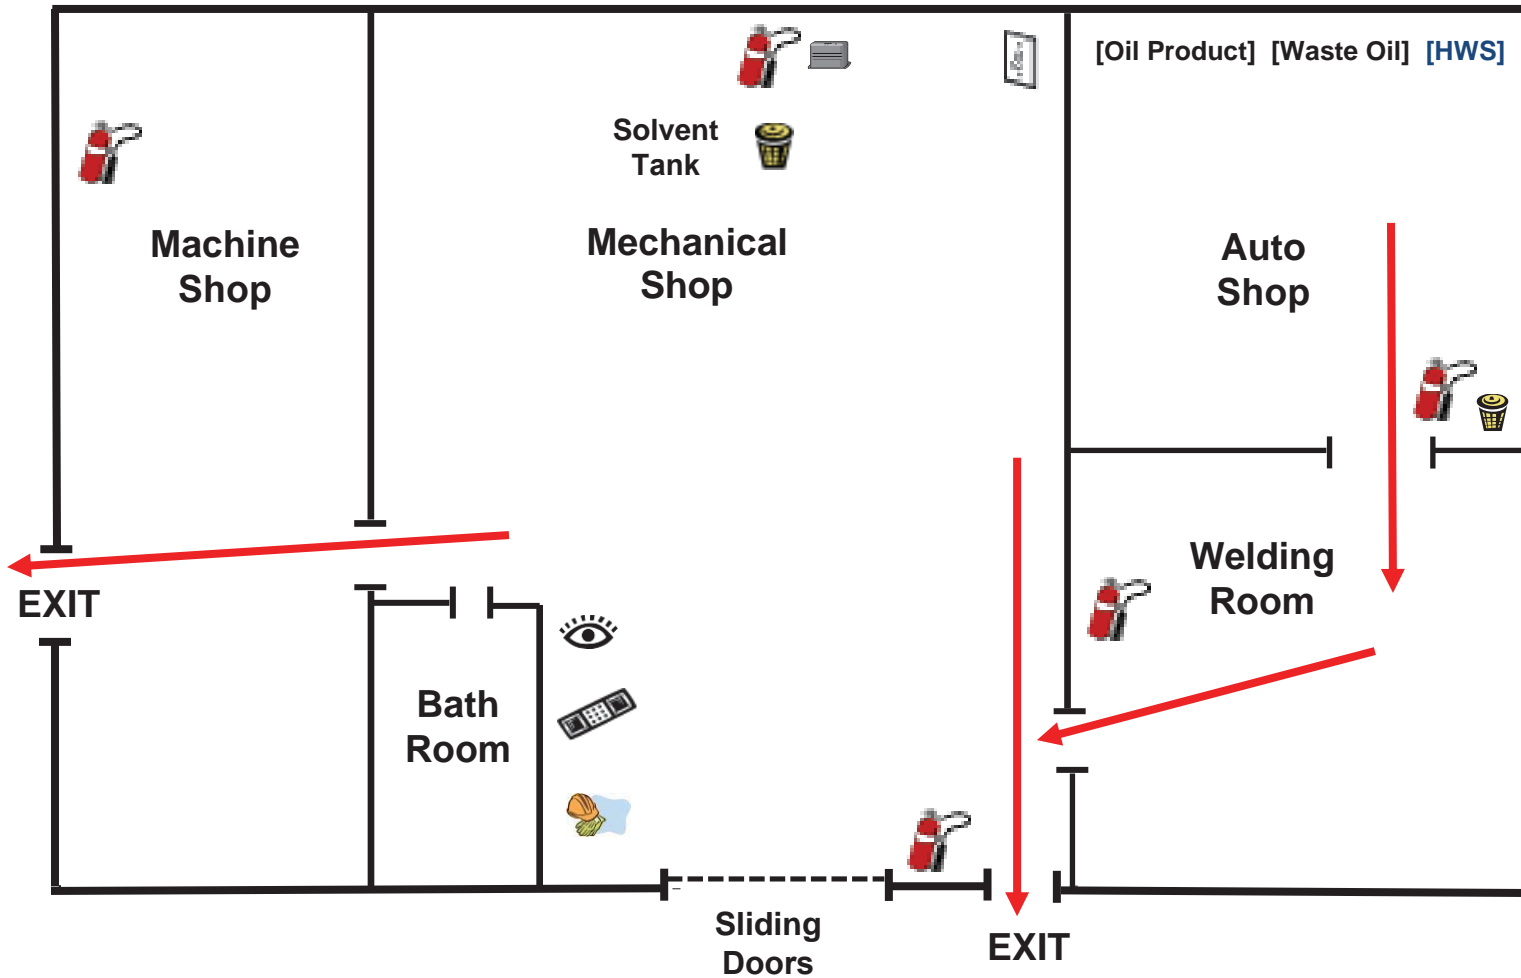

Hazard:

- Diesel

# Map #3: MAIN SHOP

Note: Map is not to scale

## Map Symbol Key:

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

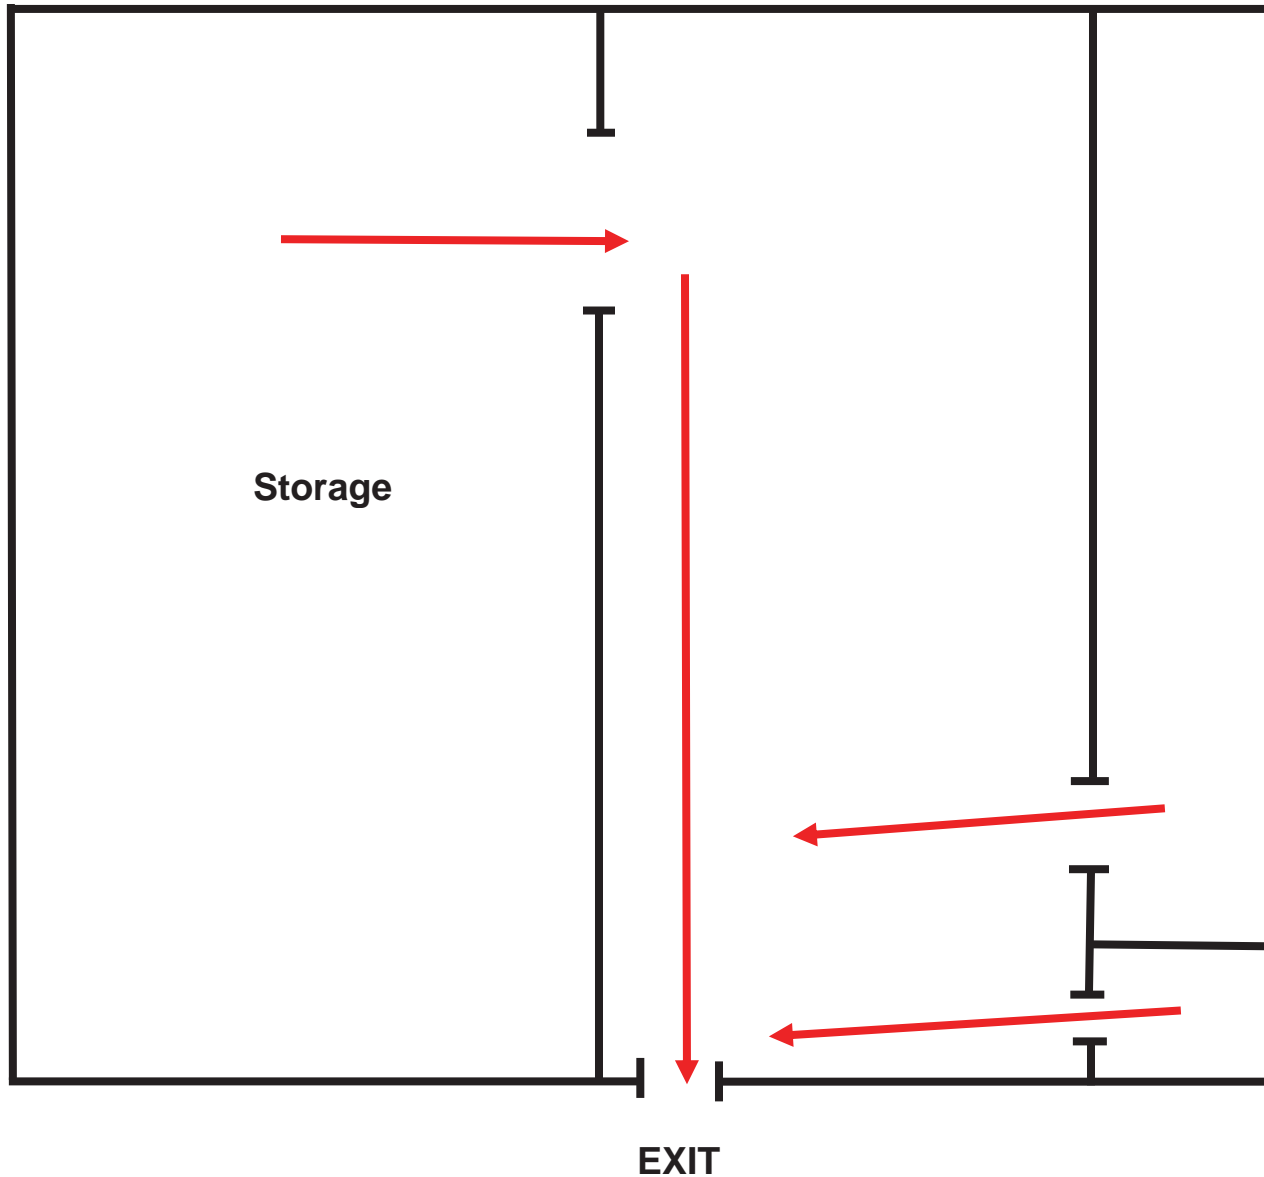

## Hazard:

- AW32 hydraulic oil
- Non-chlorinated solvent
- Motor Oil
- Waste motor oil
- Waste anti-freeze
- Waste oil contaminated debris

# Map #4: CAMERA SHELTER

Note: Map is not to scale

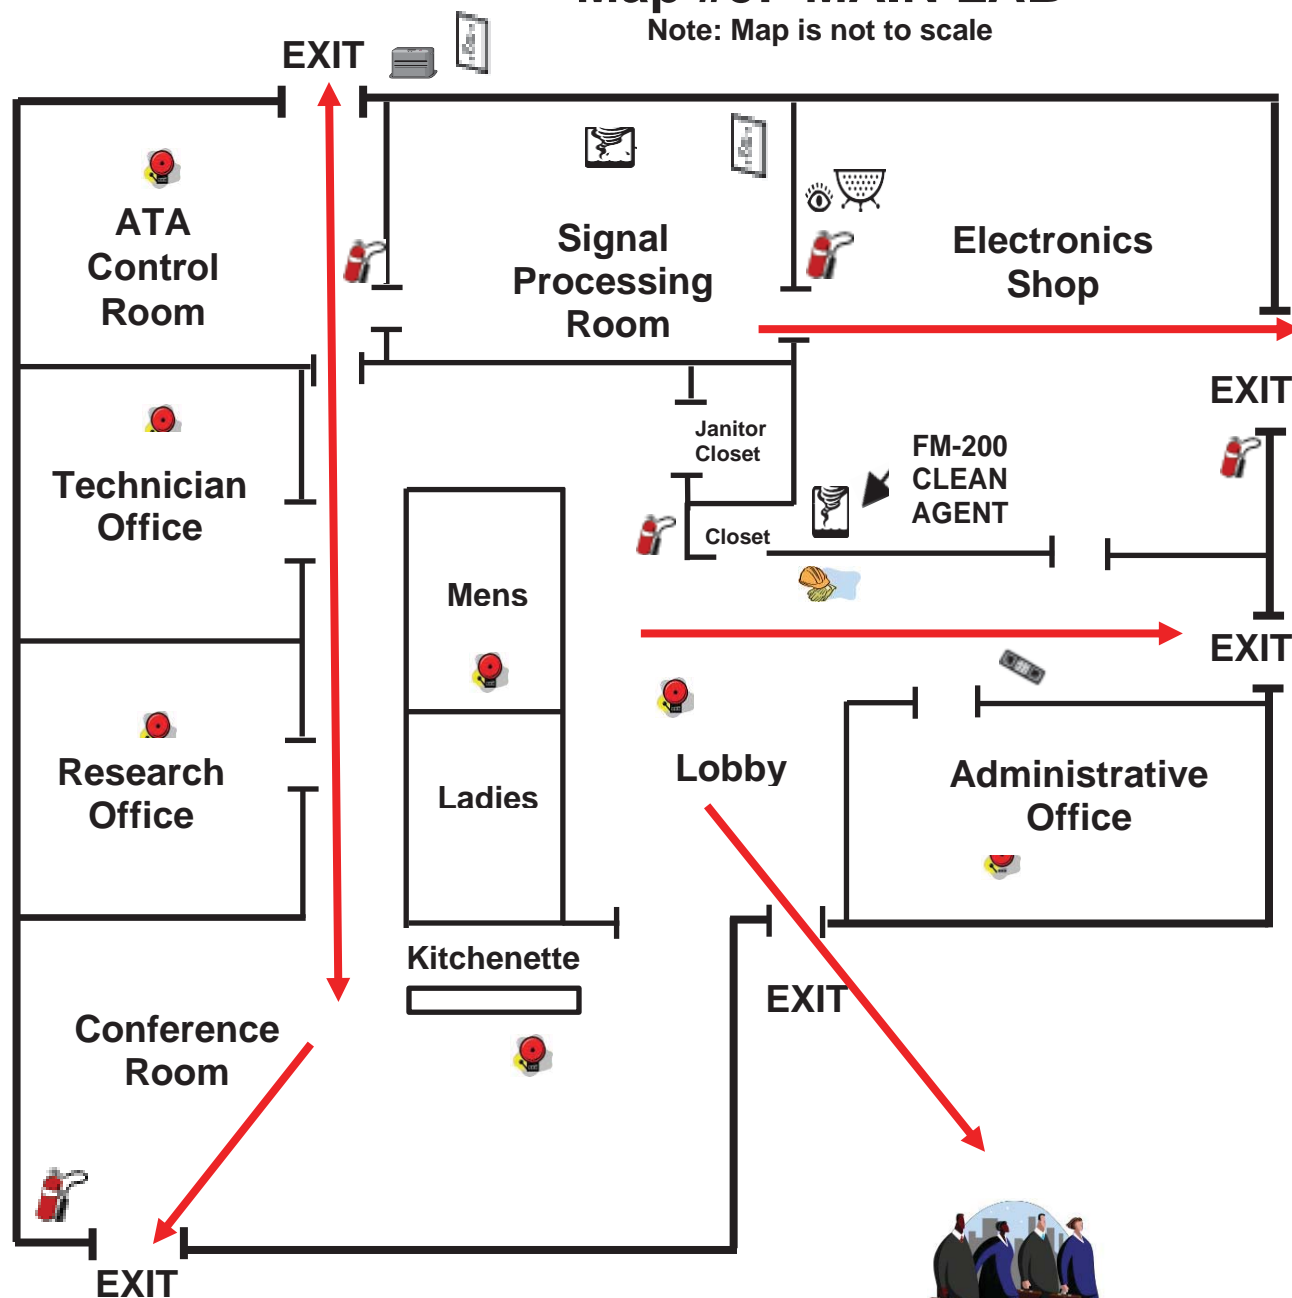

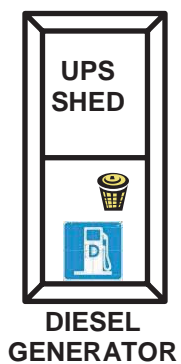

## Map Symbol Key:

- Medical first aid supplies 
- Personal protective equip. 
- Evacuation assembly point 
- Air conditioning shutoff 
- Eyewash station 
- Floor drain (septic) 
- Auto. Clean Agent (FM-200) 
- Electrical breaker shutoff 
- Fire extinguisher 
- Spill containment/mitigation 
- Gasoline tank (above ground) 
- Water shutoff valve 
- Water well 
- Hazardous waste storage [HWS] 
- Waste oil storage [WO] 
- Oil product storage [Oil] 
- Diesel 
- Propane (LP) tank 
- Fire Alarm 

No hazardous materials at this location

**Note: Map is not to scale**

- Medical first aid supplies 
- Personal protective equip. 
- Evacuation assembly point 
- Air conditioning shutoff 
- Eyewash station 
- Floor drain (septic) 
- Auto. Clean Agent (FM-200) 
- Electrical breaker shutoff 
- Fire extinguisher 
- Spill containment/mitigation 
- Gasoline tank (above ground) 
- Water shutoff valve 
- Water well 
- Hazardous waste storage [HWS] 
- Waste oil storage [WO] 
- Oil product storage [Oil] 
- Diesel 
- Propane (LP) tank 
- Fire Alarm 

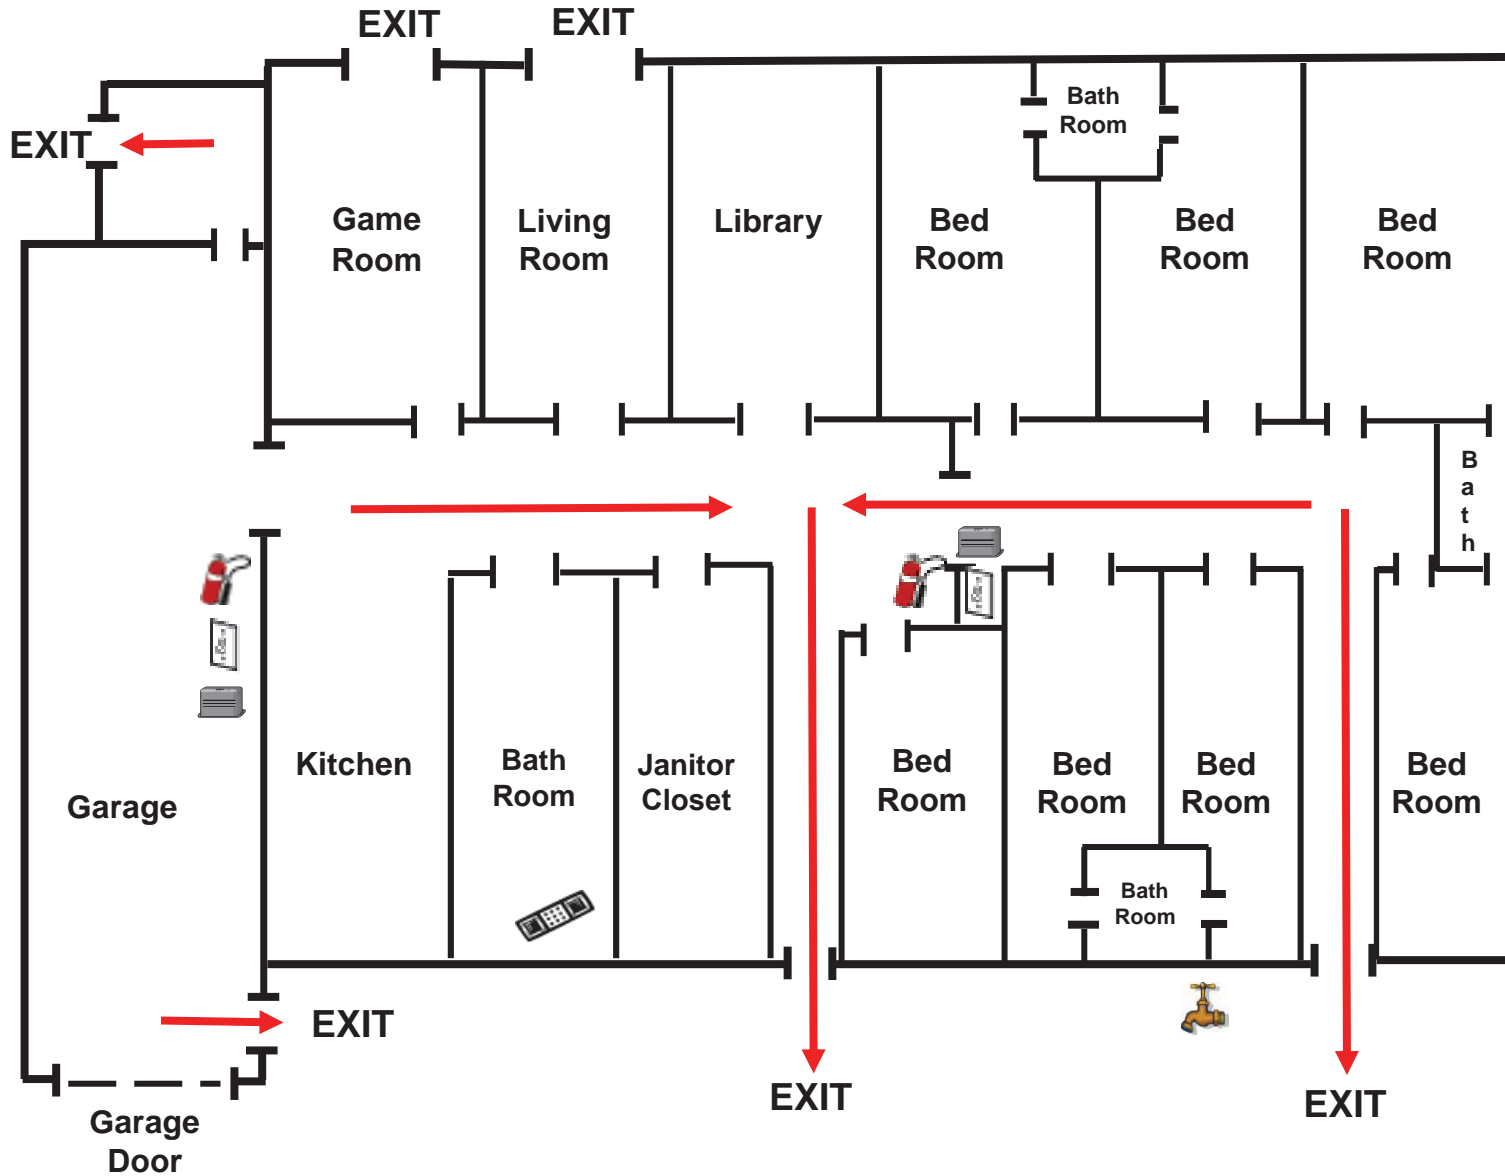

### Gasoline Tank

- Clean Agent (FM200)
- Diesel
- Gasoline
- Propane

# Map #6: DORMITORY

Note: Map is not to scale

## Map Symbol Key:

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

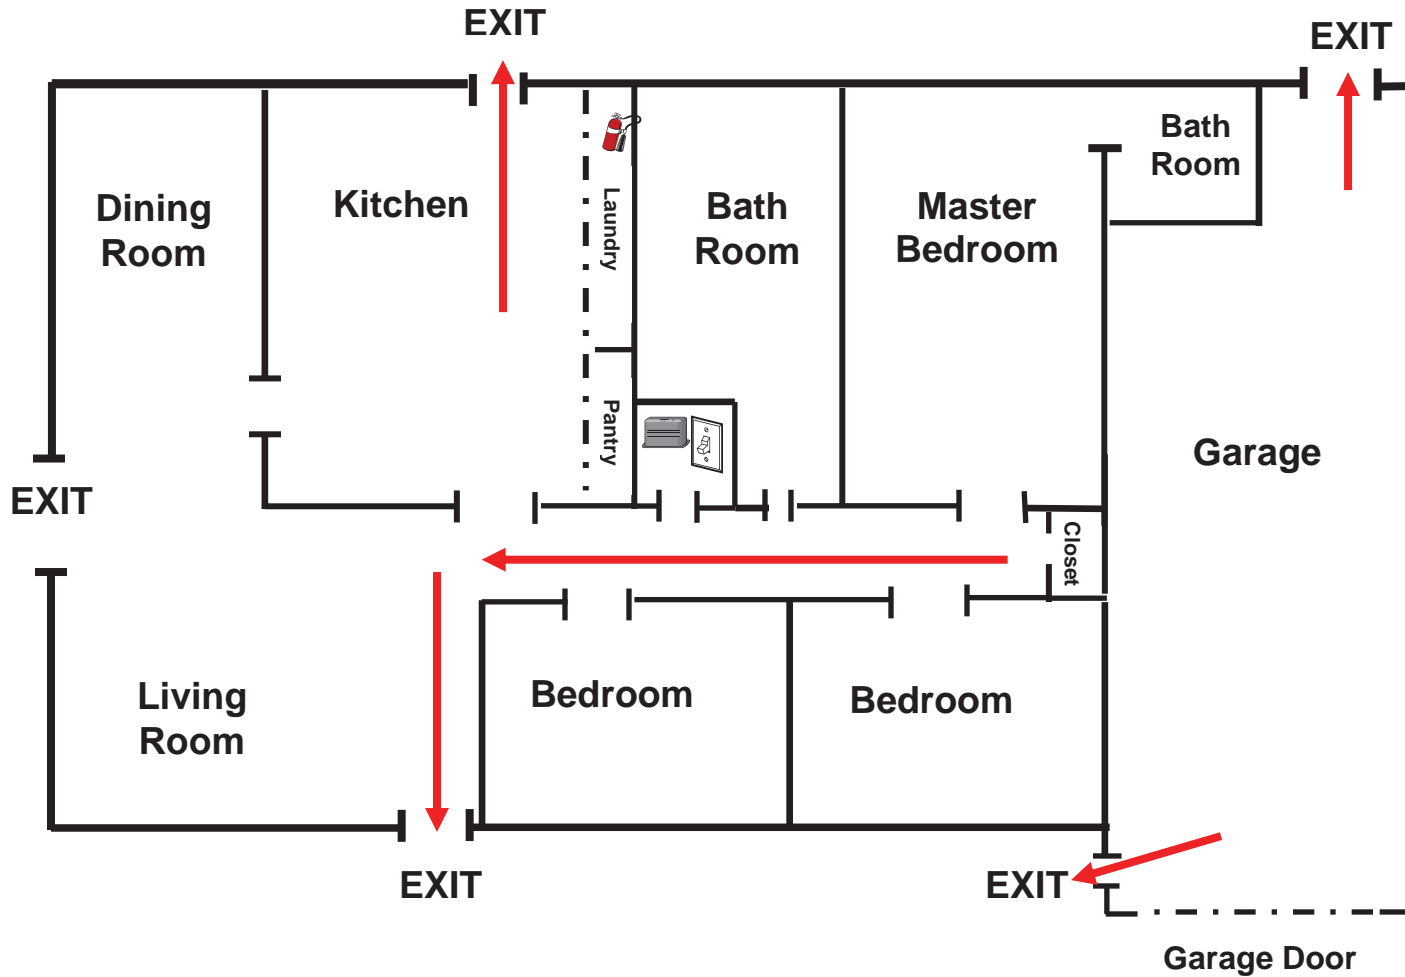

No hazardous materials at this location

# #7: HAT CREEK HOUSE

Note: Map is not to scale

## Map Symbol Key:

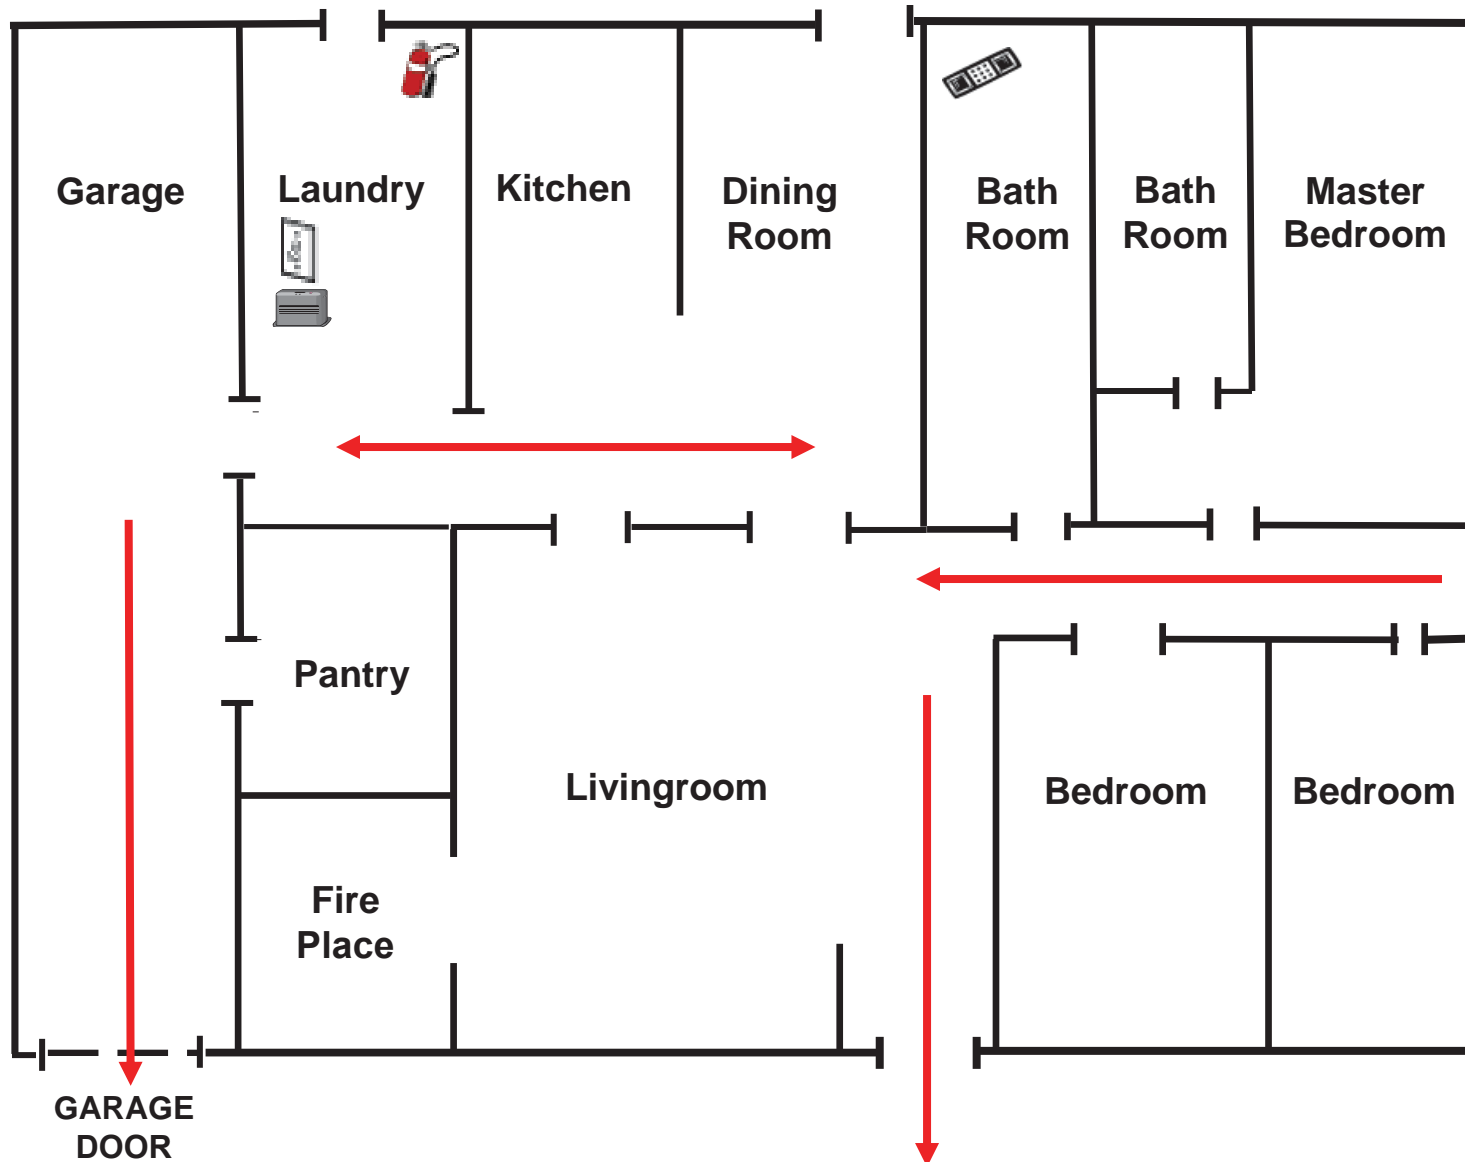

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

No hazardous materials at this location

# Map #8: LASSEN HOUSE

Note: Map is not to scale

## Map Symbol Key:

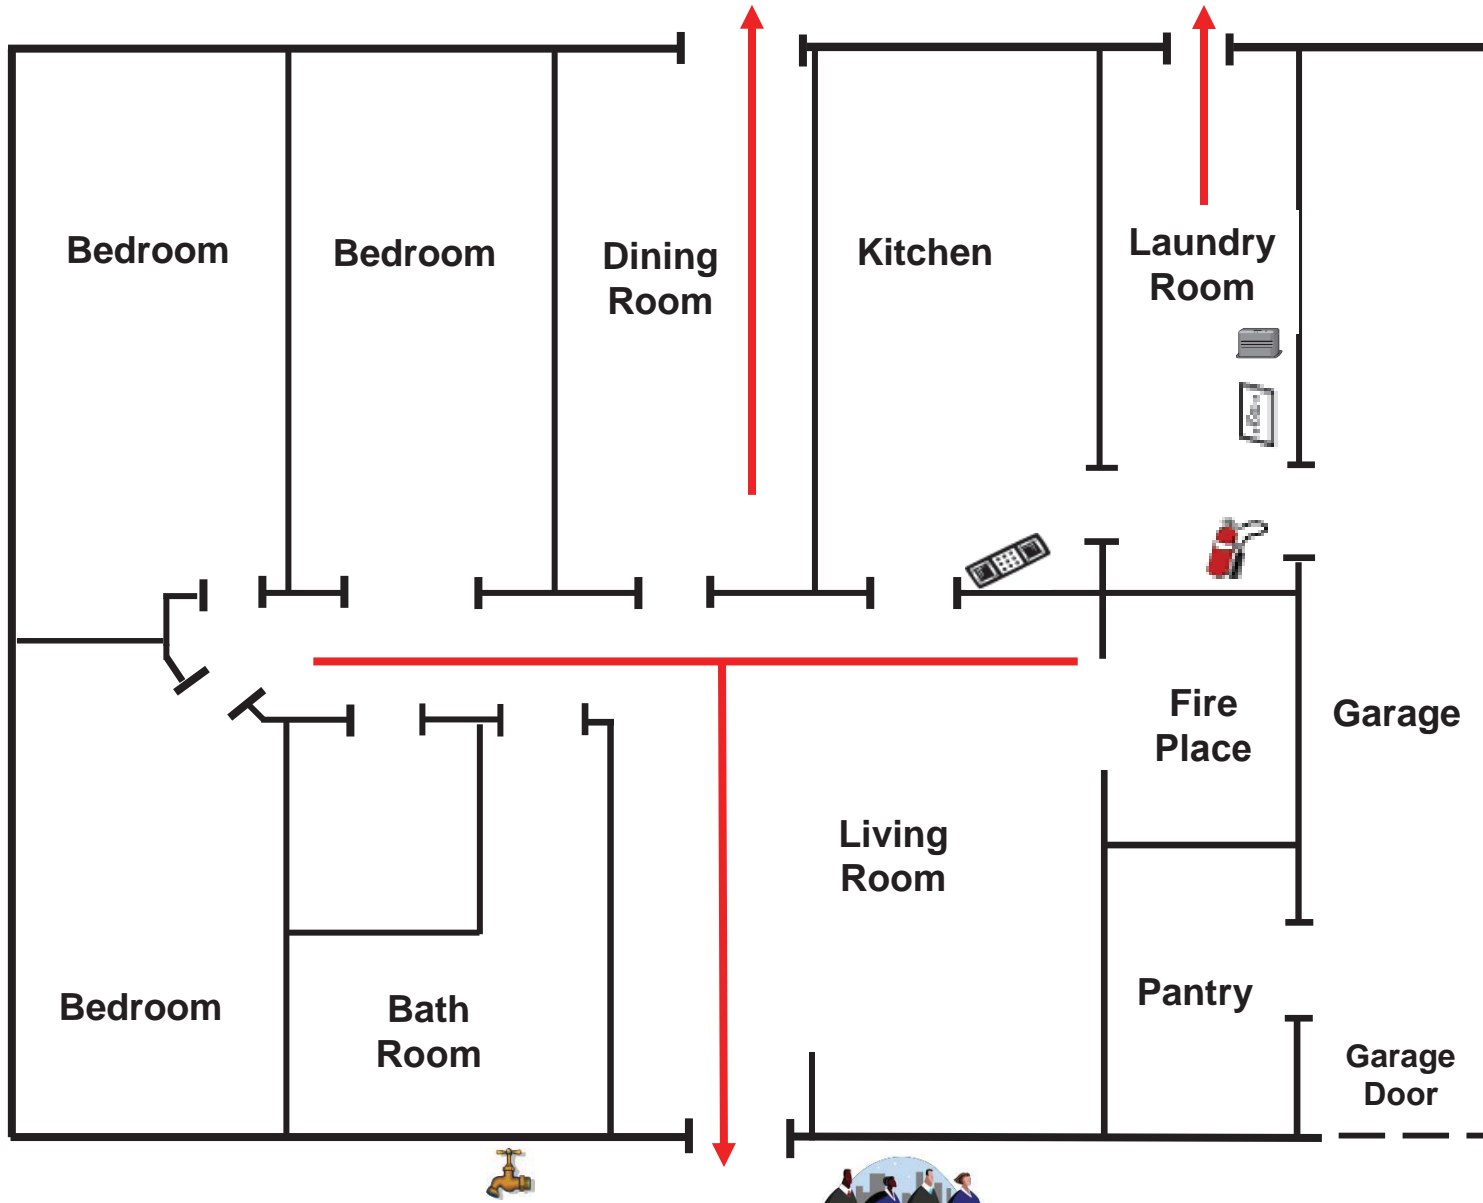

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

No hazardous materials at this location

# Map #9: BERKELEY HOUSE

Note: Map is not to scale

## Map Symbol Key:

- Medical first aid supplies
- Personal protective equip.
- Evacuation assembly point
- Air conditioning shutoff
- Eyewash station
- Floor drain (septic)
- Auto. Clean Agent (FM-200)
- Electrical breaker shutoff
- Fire extinguisher
- Spill containment/mitigation
- Gasoline tank (above ground)
- Water shutoff valve
- Water well
- Hazardous waste storage [HWS]
- Waste oil storage [WO]
- Oil product storage [Oil]
- Diesel
- Propane (LP) tank
- Fire Alarm

No hazardous materials at this location
