

Updates:

- Antennas
- Compute infrastructure.
- Full buildout and developments.
- Other.

Antennas:

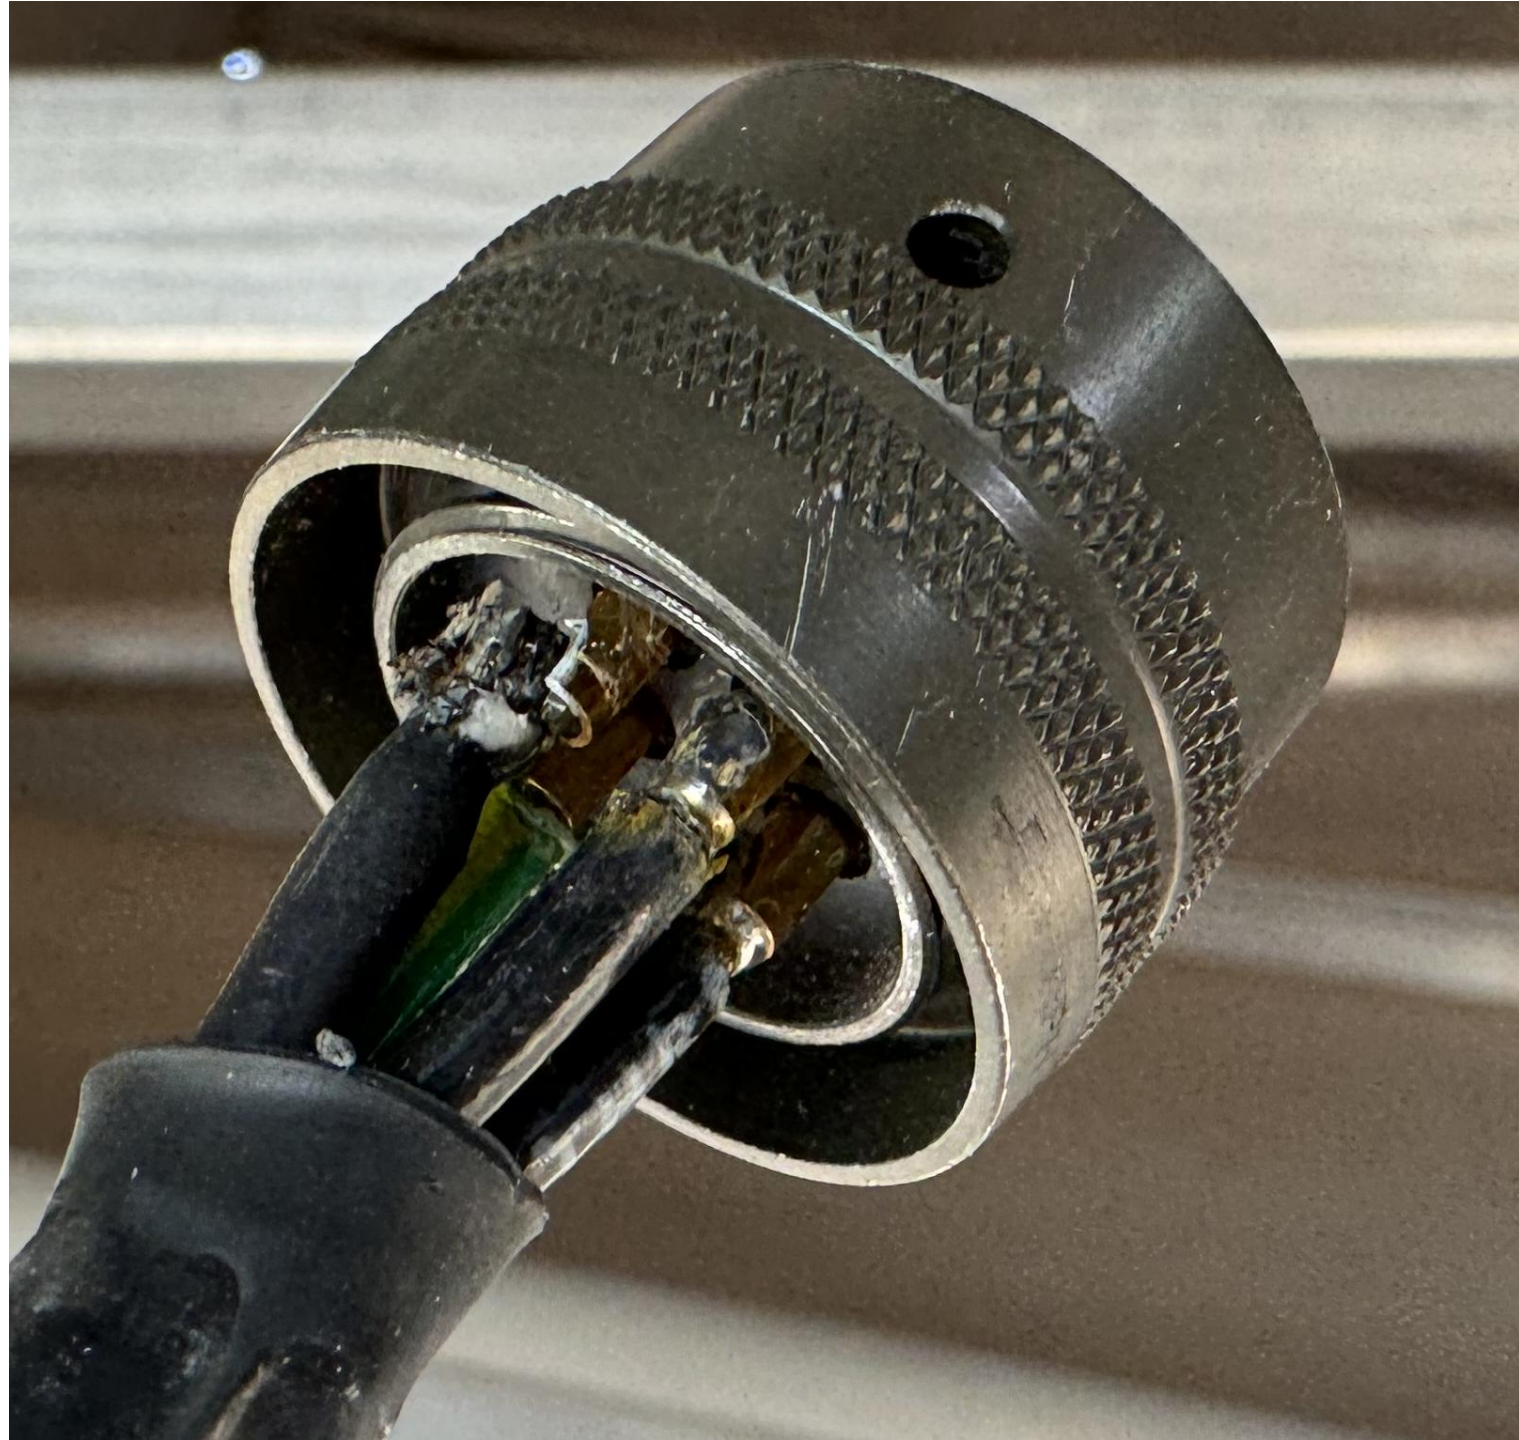

- 3F, 3G, 3H commissioning
- 1D cold solder joint
- 2A feed installed
- Drivebox testing

Antennas:

- 3F, 3G, 3H commissioning
- 1D cold solder joint
- 2A feed installed
- Drivebox testing

Antennas:

- 3F, 3G, 3H commissioning
- 1D cold solder joint
- 2A feed installed
- Drivebox testing

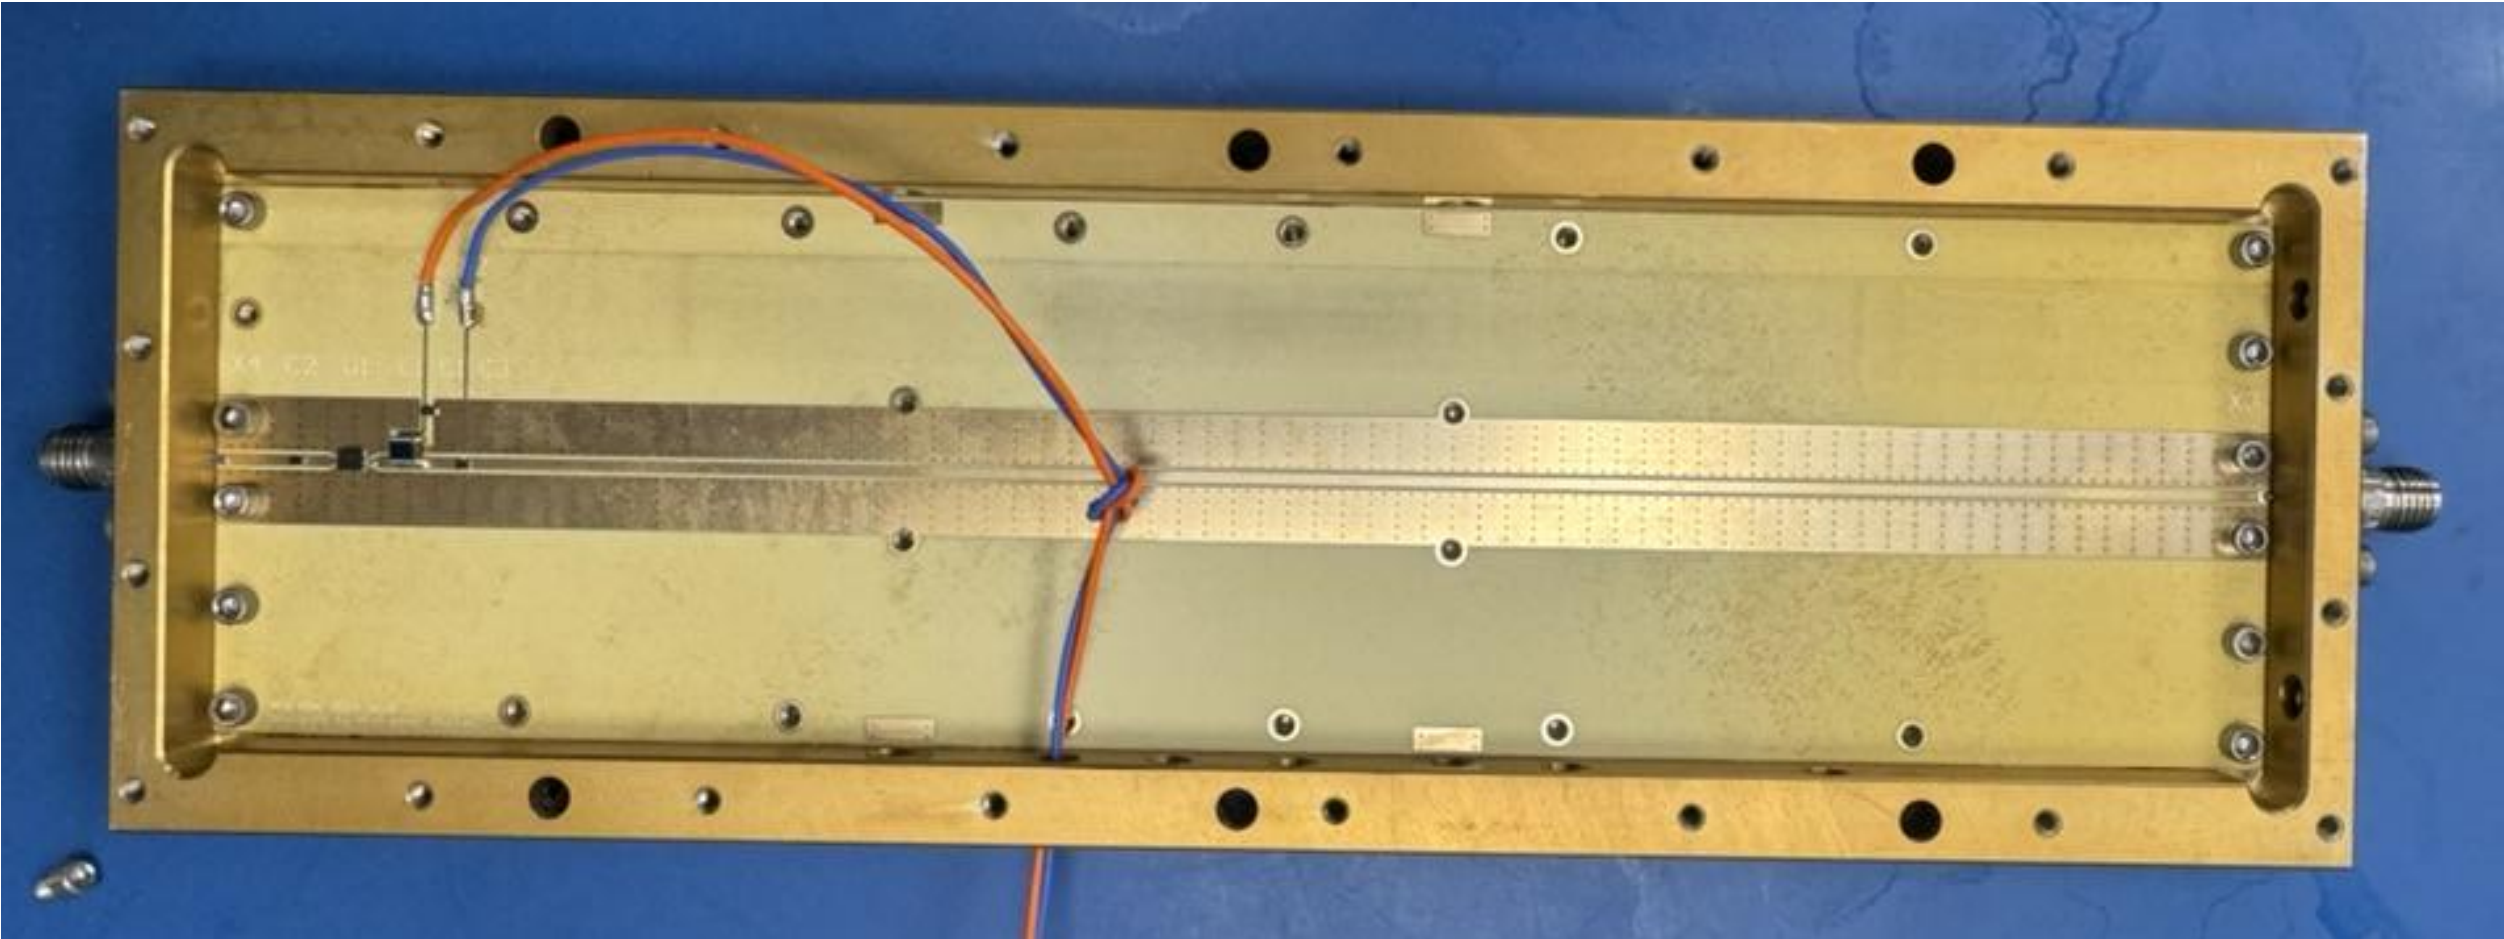

Compute infrastructure:

- Data copy C and D about 50% and 30%
- Disk replaced on SIS2
- New admin server arrived
- Planned home directory increase from 4TB to 40TB

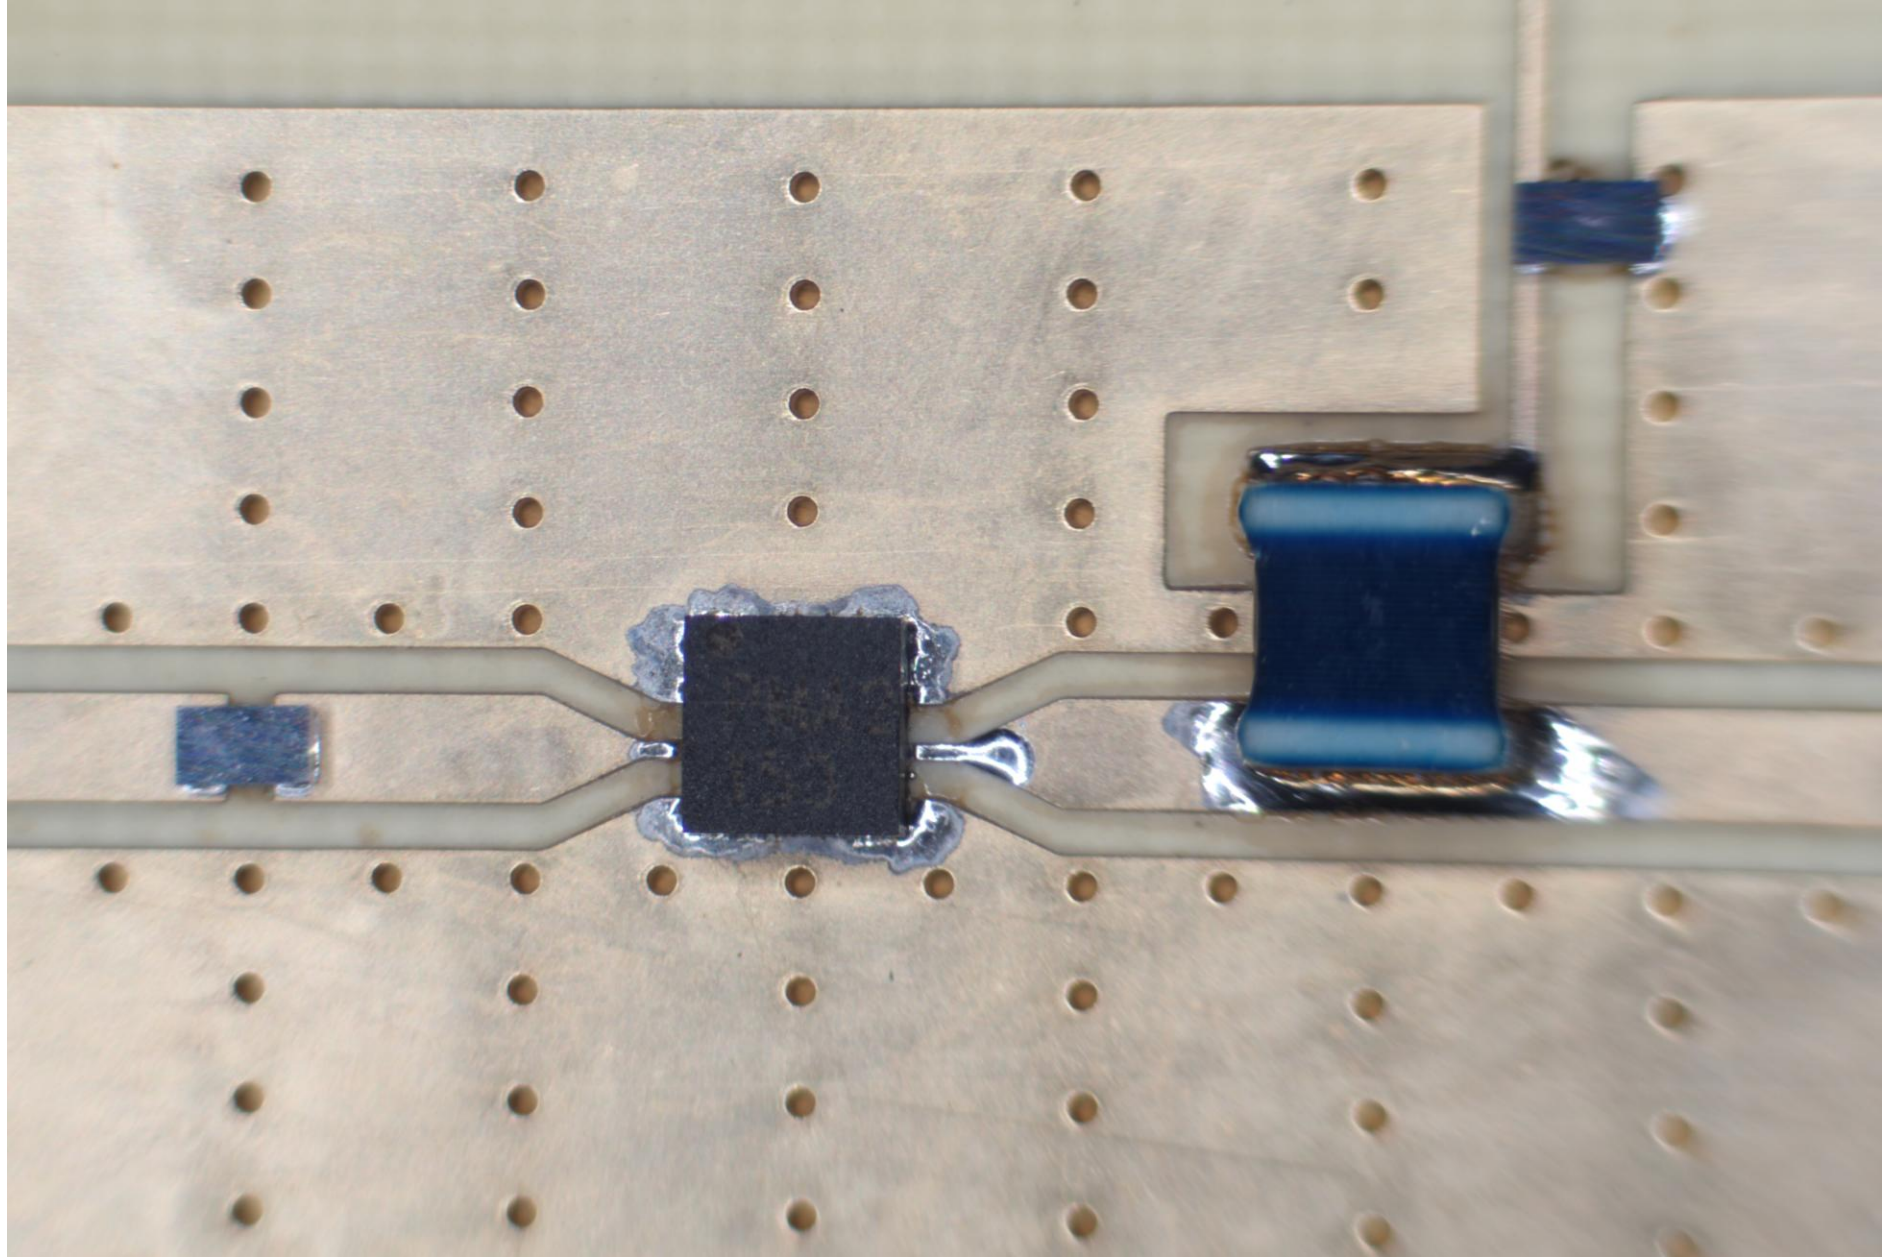

Developments:

- PAM prototype

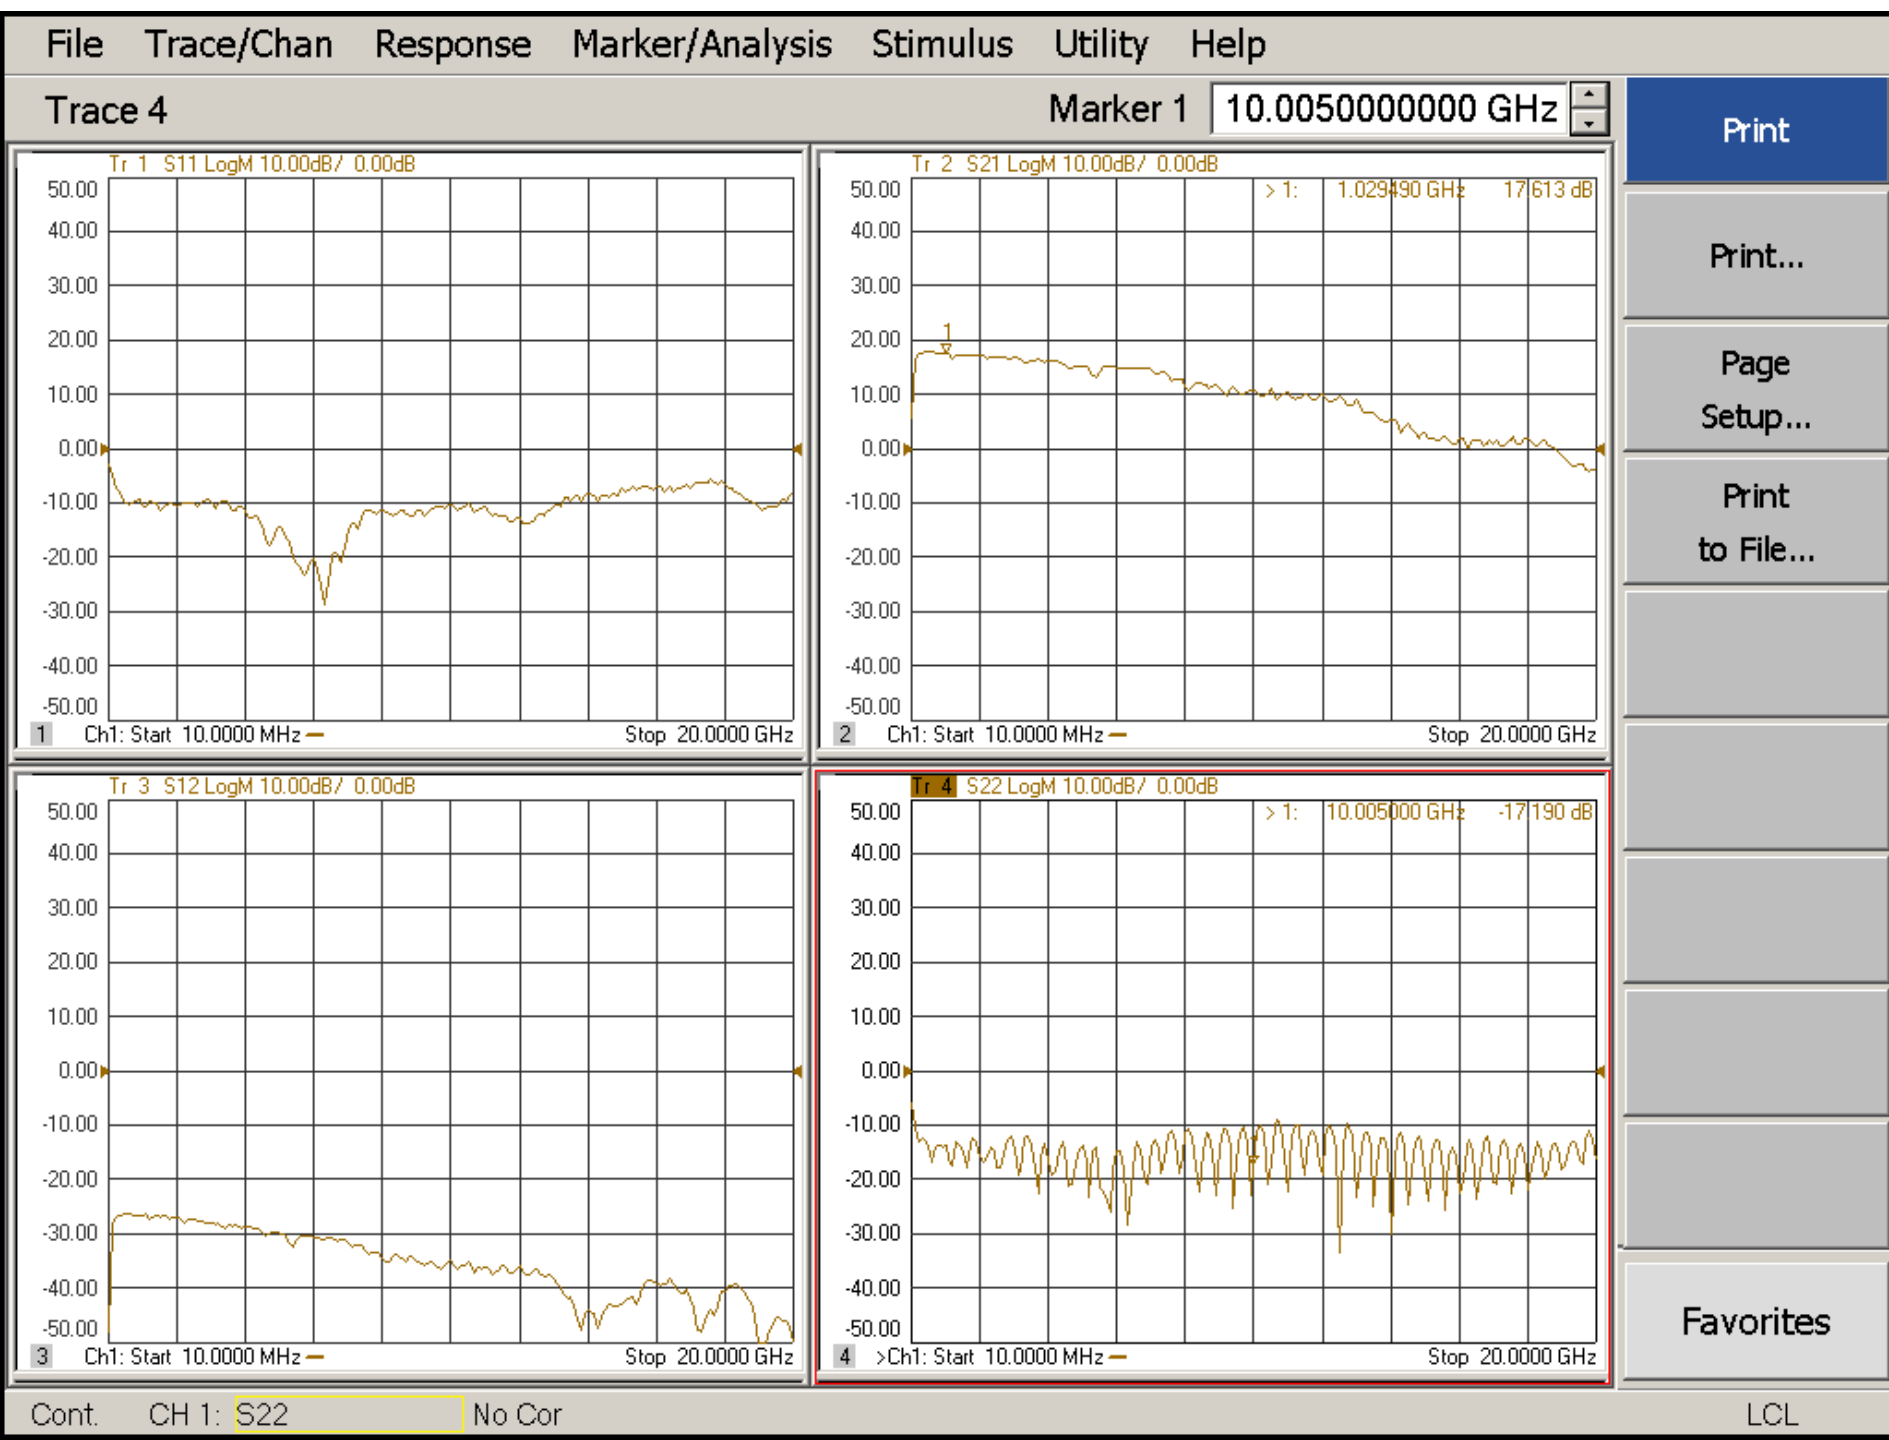

Developments:

- PAM prototype

Developments:

➤ PAM prototype

Developments:

- Completed IF wiring

Other:

- CHIME reflector installation completed.
